

Robot Competition!

Saturday 13 May, 2017
The 22nd Annual Roborama

Do you like

- Self-Driving Robots?
- Robots that wrestle?
- Robots that pick things up and move 'em around?

Wanna put your robot to the test for a chance to win great prizes?

Then come-on out to the 22nd annual RoboRama competition held by the Dallas Personal Robotics Group <https://www.dprg.org/>. We'd love to have you participate, or even just observe and cheer on your favorite team & bot!

If you've never attended before, then come prepared for a great time. Everybody enjoys the show, whether the robots nail the challenges & soak up prizes, or whether they 'get a mind of their own' and 'flail about' in new and exciting ways...

Who?

- Open to the public – all welcome
- Students through Life-Long Learners

When?

- 13 May, 2017, from 10am to approximately 4pm.

Why?

- It's fun
- Show your inner geek
- Hang out with a great gang
- Be amazed (and amused) by technical wizardry
- Prizes

What are the rules?

- <https://dprgblog.wordpress.com/rules/>

How do I register?

<https://dprgblog.wordpress.com/pre-registration/>

Can I meet with DPRG before the competition?

- Absolutely! We'd love to see you!
- Simply swing by "Robot Builders Night Out" any Tuesday night between about 7pm and 10pm, in the "Interactive Classroom" at the Dallas Makerspace.

Where?

The Dallas Maker Space
1825 Monetary Lane
Suite 104
Carrollton, TX 75006

What Competitions?

- Plastic Fasteners-only Sumo (students only)
- Line Following (Beginning and Advanced with Student and Adult divisions)
- Big Table Top 2 (open to anyone)
- Can-Can Soccer (open to anyone)

Tell Me More!

- Schedule of Events and other details
- <https://dprgblog.wordpress.com/>

Help – I have questions...

- No problem.
- Send a note to Carl, Doug or Steve at competitions@dprg.org.
- We'll get back with you as soon as we can...

Looking Forward to See You at RoboRama 2017!
